

**Brown County
Community Foundation, Inc.**
2016 Annual Report

Celebrating Indiana's 200 years!

2016 in Review from the CEO

Your Brown County Community Foundation (BCCF) joyfully and adeptly delivered on its mission of supporting the Brown County community by building on the spirit of philanthropy throughout Indiana's Bicentennial Year. We kicked off 2016 by completing the Lilly Endowment, Inc. GIFT VI challenge grant and opening 15 new funds supporting our annual grants program. We welcomed new Office Administrator Vicki Kirby as well as new Board members Sheila Lemke, Dawn Snider and Pam Raider. After a yearlong effort of policy and procedure review and revision by the BCCF Governance Committee and the Board of Trustee, the BCCF finished the year receiving confirmation that we are in compliance with the National Standards for U.S. Community Foundations.

During 2016 your BCCF made grants back to the community totaling \$450,142 which supported scholarships and local non-profit activities and programs. Grant dollars also supported a second year of funding for Brown County School's pre-school scholarship program as well as provided an impact grant of \$30,000 to help incentivize the Brown County YMCA's capital campaign. We continued our regional activities as the Indiana Arts Commission's Region 8 Arts Partner granting \$114,000 to regional artists and arts organizations. We also continued our participation in the Regional Opportunities Initiative (ROI) grant which is the 11 county economic development grant funded by Lilly Endowment, Inc. This grant continues to focus resources on educational attainment and workforce development programs. Brown County Schools and our students have and will continue to benefit from this initiative.

The opportunity the BCCF assumed when we received the gift of our new building from the estate of Howard Hughes was the management of the Howard F. Hughes Community Room in the lower level of our building. I trust Howard would be thrilled with the almost daily activity that is taking place in this wonderful space. Many non-profits meet in the community room monthly or hold celebrations to honor member activity. Our local Fabulous Fifty Women's Giving Circle held its third annual grant awards ceremony in the space with close to 70 fabulous ladies attending. Mother's Cupboard Community Kitchen and Habitat for Humanity celebrated the first anniversary of the completion of their new building in the Hughes Room with a full house of proud volunteers. The BCCF Scholarship Committee held its second annual Ice Cream Social in the space bringing scholarship fund donors and scholarship recipients together over delicious and creative sundaes. This space was home to the Brown County's Bicentennial Bison in the spring while local artists painted the sculpture in preparation for its introduction in the Spring Blossom Parade and installation on the courthouse lawn. The BCCF Board sponsored a series of three Planned Giving seminars that were open to the public and facilitated by experienced planned giving lawyers. The Hughes Room has definitely become a hub of community activity and community conversations all thanks to generous, local philanthropy.

We continue to imagine an even better tomorrow for our community through philanthropy. We appreciate and celebrate the many community partners who helped your BCCF deliver on this promise each and every year since 1993. I sincerely thank the 2016 Board of Trustees and committee members as well as all volunteers that helped make 2016 a successful and impactful year for Brown County.

2017 And Beyond

As we, the Board, staff and volunteers, prepare to celebrate our 25th Anniversary of service to the Brown County community in 2018, we look forward to the next quarter of a century while looking back at the legacy upon which we stand today. No one act, donation, contribution or individual is representative of who we are, but the totality of all these creates a legacy for this community. Community foundations represent a sustainable heart, mind, spirit and endowment. Sustainability means surviving forever. Forever means that the Foundation can be your forever family where funds, activities, grants, scholarships and wisdom can continue to shape the future.

Each of the funds and donations represented on these pages requires us to pause for a moment and remember the good-will, trust, and care for Brown County that created that gift. Our challenge is to appreciate and tell the story that will inspire others to continue gifts and actions that will nourish the generations of tomorrow.

Looking towards our more immediate tomorrows, we have adopted goals for 2017-2018 that include focusing on sustainability, deepening our succession planning, evaluating our investment arrangements, continuing to nurture our community partners and seeking out the voices of the next generation of leaders while learning more about the stories that brought us to today. All of this will allow us to be a viable and engaged voice in Brown County.

Are you, your family or your treasured organization a part of our past twenty-five years? Do we know the history that brought that fund or donation? Even if you think we know the story, we welcome hearing it again. Do you have a vision for our future? Even if you think we already share that vision, we welcome you telling it again. Are you a young leader or entrepreneur who has an idea that you think we should hear. Come share it with us.

Building on the spirit of philanthropy is a daily activity. Your Brown County Community Foundation, your forever family, is hard at work on your behalf and those that will follow us.

Brown County
Community Foundation, Inc

Be a collaborative leader for positive impact in the Brown County community by building on the spirit of philanthropy

Fabulous 50

Over 50 Fabulous 50 members gathered together at the Howard F. Hughes Community Room, Brown County Community Foundation, to choose the charities that would benefit from donations gathered during 2016 by the Woman’s Giving Circle. The Magnanimous Men, a small group that supports the Fabulous 50 efforts, were invited to join in the celebration.

New Fabulous 50 members were welcomed. Charter members were asked to stand, and those who became members in 2014 and 2015 were recognized.

Shirley Boardman, Chair of the Board of Trustees of the Brown County Community Foundation (BCCF) and a charter Fabulous 50 member welcomed all.

Fabulous 50 Operational Policies and Procedures, previously disbursed and edited by the group via e-mail, were reviewed. These Policies and Procedures link with the BCCF and are compatible with their grant policies and procedures.

The 2016 donations provided \$10,000.00 for the first place winner, \$3,000.00 for the second place winner, with approximately \$500.00 each going to the Fabulous 50 Endowment Fund and for carryover into 2017.

Three charities were drawn from the basket and presentations made so the ladies present could vote. The three organizations drawn were Preschool Initiative, Brown County Enrichment for Teens Association (BETA), and, Salt Creek Trail.

After presentations were made for each group a vote was taken for the awards: BETA took first place and the Preschool Initiative got the nod for second place. When the winners were announced cheering and applause were heard all the way to the middle of town.

If you are interested in joining the Fabulous 50 Women’s Giving Circle, please contact the BCCF office at 812-988-4882 for more information.

Truemper Family Gives Back

When John Truemper was a child he noticed that a fellow classmate did not have any shoes. He took off his shoes and gave them to the boy and walked home barefoot. His son Charles grew up hearing about his father's generosity and when he was able he created a legacy to help needy children and honor his father. Charles started the John C. Truemper Memorial Fund for Shoes, Socks and Clothing in 2000 at the BCCF. He also opened the Truemper Fund for Mother's Cupboard that same year. Charles stated "It seems like so many people are falling between the cracks nowadays. They need to know help is available." After witnessing the impact his endowments were delivering to those in need in Brown County, Charles decided to provide long term support to the BCCF in 2002 by opening the Charles J. and Phyllis E. Truemper Charitable Remainder Unitrust (CRT). Charles made the BCCF the beneficiary. This trust was funded with a gift of property. The BCCF sold the property and opened the CRT with the funds. The Truemper's received a quarterly mutually agreed upon payout from the fund throughout their lives. Upon the death of the surviving donor in 2016 the Trustees distributed the Trust's remains to the BCCF. These funds will support and ensure that the BCCF can deliver on its mission forever.

Brown County Community Foundation's Del Newkirk Society

Letty & Del Newkirk

In 2001, the Brown County Community Foundation Board of Trustees established **The Del Newkirk Society**. With great affection and appreciation, it was named in honor of one of its founders and former volunteer Executive Director, Del Newkirk. The Del Newkirk Society has been established to recognize those who, like Del and his wife, Letty, wish to remember the Brown County Community Foundation and ensure its mission continues in perpetuity. All members of the Society have named the Brown County Community Foundation in their planned gifts.
