Region 8 Arts Organization Support I FY2021 Guidelines

About the Program

Arts Organization Support I (AOS I) grants provide annual operating support for the ongoing artistic and administrative functions of eligible arts organizations during the grant period with budgets up to \$250,000. AOS I is administered by Regional Arts Partners (RAP) (<https://www.in.gov/arts/2482.htm>) across the state, as a part of the Indiana Arts Commission's (IAC) Regional Initiative Grant (RIG) Program (<https://www.in.gov/arts/regionalinitiativegrant.htm>), in alignment with the IAC public Funding Imperatives (<https://www.in.gov/arts/3031.htm>). The IAC is funded by the Indiana General Assembly and the National Endowments for the Arts, a federal agency. On behalf of the people of Indiana, the IAC advocates engagement with the arts to enrich the quality of individual and community life. Eligibility requirements for this grant program can be found on Page 2 of these guidelines.

Objectives

To support arts organizations that provide quality arts and cultural activities to the public, with special attention to underserved communities. Underserved communities are defined as people lacking access to arts programs, services, or resources due to isolated geographic location, low income, age, race/ethnicity, cultural differences, disability, or other circumstances.

Draft reviews by Regional Arts Partners are available to first time applicants, and organizations who are not currently receiving funds from the IAC for general feedback and suggestions around application completeness and clarity. A review may be requested by emailing the Regional Arts Partner at any time the applicant feels their application is complete. Reviews will be done in the order requests are received, and the deadline to request a draft review is February 21, 2020.

Application Eligibility and Review Eligibility

- The application deadline is March 5, 2020 4:30 PM (EST). Late applications will not be eligible for review. Please note, no changes can be made to the application following the deadline.
- After receipt of completed application, the Regional Arts Partner will review materials to ensure that all required information was submitted, and the application is eligible for review. If any discrepancies are found (such as incomplete answers or uploads), the application may be ineligible for review.

Review Process

Each eligible application will be reviewed and scored by a conflict-free panel of field professionals. The panel review will take place in the spring and will be open to applicants and the public for observation and may be recorded (although the audio quality is not guaranteed.) Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel location and date will be posted on the RAP website and/or IAC website.

Applications will be scored on a 100-point scale. The scores will be included as part of a funding formula to assist with the allocation of grant awards. Applications that have a total score of 75 and over will be eligible for funding. Evaluation criteria details can be downloaded as a PDF by clicking <https://docs.google.com/document/d/1zf8VGp0ydcuAnOJ3FabvpeTdBC1uRGt6YzrF4CqFPsE/edit?usp=sharing>. Information submitted in the application will be reviewed according to the following evaluation criteria:

- **Organizational Excellence** (25 points): The extent to which the applicant organization can demonstrate sound fiscal management and administrative policies and a demonstrable commitment to continuous improvement, preservation and development of the art form.
- **Community Engagement & IDEA** (25 points): Extent to which there is an active, two-way, ongoing relationship between the applicant and community in the planning, participation and evaluation of the proposed activity(ies), which includes intentional strategies for inclusion, diversity, equity, and access (IDEA).
- **Arts Education** (25 points): The extent to which the applicant organization can demonstrate strategies designed to transfer specific training, skills, abilities and/or knowledge in the arts through publicly recognized standards (e.g. workshop leader has relevant experience; education standards are integrated if a school-based activity.).
- **Artistic Quality** (25 points): Relative to the budget size of the organization, the extent to which the applicant demonstrates a committed effort to provide its audience a meaningful, impactful, quality and authentic artistic experience(s).

Grant Award Determination

Following the panel meeting, a Commission-approved funding formula is applied that takes into consideration the panel's ratings, number of eligible applicants, and available funds to determine specific grant recommendations. Applicants do not request a grant amount, the award amount is based on the average of the applicant's last three years of total cash income, and cannot exceed 20% of the applicant's three-year cash operating income average. These completed cash financial statements must have been approved by the organization's Board of Directors.

The AOS I budget breakdowns are:

- Under \$50,000 (Average FY2020 grant for this Region was \$5,834)
- \$50,000 to \$99,999 (Average FY2020 grant for this Region was \$5,834)
- \$100,000 to \$174,999 (Average FY2020 grant for this Region was \$6,807)
- \$175,000 and up (Average FY2020 grant for this Region was \$7,779)

The Indiana Arts Commission will review and ratify the grant awards at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission meeting.
