In 2019 we finished the fiscal year strong with a booming stock market and a blended return of 19.35% for both long term and intermediate term investments. Our net assets had increased by more than $2.2 million from 2018 and we were fortunate to award an historic number of grants and scholarships, totaling over $1 million. As 2020 progresses, we're watching the downward economic trend in response to the coronavirus pandemic. For those of us invested in equities, the past few months have been an unpleasant, volatile ride, with little stability in the immediate future.

Yet, at a time when the coronavirus is negatively impacting jobs and the economy, the Foundation's Board is actively supporting organizations who work tirelessly to provide for Brown County residents in need. We are able to accomplish this work because of the generosity of donors both past and present. Their contributions continue to support grantmaking and vital community initiatives. In April 2020, we delayed our competitive grant process and instituted a rapid response grant model to react swiftly to the pandemic. Tens of thousands of dollars have been expended to trusted, local, non-profit organizations with more funding available. The Community Foundation is steadily and thoughtfully providing the means to address our community's recovery from the pandemic aside local businesses, residents, and organizations that care for the most vulnerable populations in our county. In the words of our founder, Del Newkirk, the BCCF is “For Brown County, for its People, Forever”. We are here to support you during this uncertain time and we humbly ask that, if you’re able, you do the same for us.

Update from Board Chair Jan Mills

The Brown County Community Foundation (BCCF) was created by the community and is dedicated to improving the quality of life in Brown County. For the past 26 years, the BCCF has served as a vehicle for donors, volunteers and community members to identify important issues, share ideas, and build financial resources to make positive long-term change.

In 2019, BCCF delivered on that promise. We have continued to bring corporate and civic leaders together to grow and sustain our region's people, environment, arts and cultural institutions, and financial resources. As both the region and the people continue to grow, we have been there every step of the way supporting the community we serve. It has been my pleasure to work for our community and I thank the thousands of supporters, volunteers, and partners across the community that continue to serve Brown County. I am proud of our work and I hope you will continue supporting us as we shape a future for the people of Brown County.

Brown County was splashed with color in 2019 to benefit our Preschool Scholarship program. The Color Walk was an excellent family event with no winners or official times. Participants set their own pace, brought their toddlers, and had a fun-filled day with no pressure to compete. Along the two-mile route, runners that began the event wearing white were blasted with different colors until they resembled a rainbow.

Over the last four years, the BCCF has provided $160,792 in grants for 101 children to attend preschool in Brown County. Studies show they will be more likely to graduate from high school, to hold a job, and have higher lifetime earnings.
Be Our Guest!

BCCF Giving Dinners have furthered our vision to imagine a better tomorrow for our community through philanthropy...and food!

Together with volunteer hosts, we prepare an enchanting evening in a unique location complete with local food, hometown entertainment, and a new way to interact with and give back to the non-profits that serve our community. Almost a dozen dinners have been hosted, raising over $100,000 for various community charities.

Thank you to our sponsors and special supporters: Bird’s Nest Cafe, Hotel Nashville, Hard Truth Hills, Good Nature Farms, Oliver Winery & Vineyards, Jennie Root Photography, Seward Party Rentals, Buck Valley Septic, and Morgan Linen Service.

Thank you to our volunteers including Molly Daugherty, Rachel Runion, Paula Bell, Brandy Lunsford, Libby Mangum, Vicki Kirby, Amanda Rogers, Kirstie Tiernan, and Shannon Whitehorn.

The BCCF received a grant of $500,000 as part of Lilly Endowment Inc.’s seventh phase of the Giving Indiana Funds for Tomorrow (GIFT) Initiative. We have used this matching fund grant to build our financial assets and support local charitable activities. At least two-thirds of the matching fund grant was designated to support the growth of BCCF’s unrestricted endowment, which over time will provide flexibility to help the foundation meet community needs.

In 2019, BCCF chose to designate up to one third of the matching grant fund to assist local nonprofits with current needs and charitable projects. Lilly Endowment Inc. provided 50 cents for every $1 that these organizations raised during the matching period. Lilly Endowment Inc. also offered a two-to-one match on unrestricted donations to BCCF. Unrestricted funds are at the heart of our grant-making capacity and are used to award grants that strengthen the community. This unique opportunity to triple the impact of charitable giving to support local needs was a key strategy in the completion of this matching initiative.

You will find we have dutifully met all qualifications outlined in our grant agreement and are pleased to report the successful completion of our match challenge one year in advance of the December 31, 2020 deadline. A complete listing of Lilly Gift VII match dollars is available in our 2018 Annual Report.
Hughes Gift Impacts Humane Society

The Brown County Humane Society’s $3.2m capital campaign to support a new animal shelter was the impetus for the creation of a matching campaign through the Howard Hughes Legacy Pass Through Fund. Marcia Flaherty Likens (executor of the Hughes Fund) had a wonderful idea to challenge our community to support a matching campaign to secure naming rights for the Dr. Brester Animal Treatment Room in the new shelter.

Dr. Brester is a true Brown County legend and we were proud to support the $100,000 matching challenge to secure naming rights and help build this much needed space. As part of these efforts on Sunday, Oct. 6, 2019, the Humane Society staged a fundraising event at the Bean Blossom Animal Clinic, which Doc Brester founded in 1966. During this event, over $32,000 was raised towards the $100,000 challenge. Throughout the course of this 4 month campaign the Humane Society raised over $78,000 and the Howard Hughes Legacy Fund match was increased to $120,000.

Community Donations: $78,749.41
Hughes Match: $120,000

Plan Your Gift

Virtually any asset of value can be given to the Community Foundation. Regardless of the size of your estate, by contacting your attorney and creating or updating your will, you can provide for your beneficiaries while leaving a personal legacy to support a cause that has meaning to you.

Write Your Will

Use will planning as an opportunity to decide what type of legacy gift best suits your estate planning goals.

Life Insurance

By naming the Foundation as the irrevocable owner and beneficiary of a life insurance policy, a donor is entitled to an immediate tax deduction on the cash value of the policy, with future premiums paid by the donor being deductible as charitable gifts.

Charitable Bequest

You can bequest a certain dollar amount, a particular percentage, or certain property. This is the most popular form of charitable bequests. Indeed, gifts of specific properties to charity may be uniquely appropriate bequests, both for tax and personal reasons.

Trusts

Trusts have become an increasingly important tool in estate planning, especially in the field of charitable giving. Individuals form different types of trusts to:

• Avoid probate administration
• Secure income, gift and estate tax savings
• Decrease gross estate size
• Assure preservation of wealth and to protect assets from creditors
• Diminish asset management responsibilities
• Control disposition of assets to beneficiaries

It takes a noble man to plant a seed for a tree that will someday give shade to people he may never meet.

Join the Newkirk Society to Support Our Future

In 2001, BCCF Board of Trustees established the Del Newkirk Society. With great affection and appreciation, it was named in honor of one of our founders and former volunteer Executive Director, Del Newkirk. The Del Newkirk Society has been established to recognize those who, like Del and his wife Letty, wish to remember the Brown County Community Foundation and ensure its mission continues in perpetuity. All members of the society have included the Brown County Community Foundation in their planned gifts.

Congratulations to Our Lilly Scholar!

Since 1998, BCCF has had the privilege of awarding Lilly Endowment Community Scholarships to 37 Brown County High School graduates. This annual scholarship will pay full tuition expenses for four years plus an annual stipend for books and equipment to the Indiana public or private college of the student’s choice.

The scholarships are the result of a statewide Lilly Endowment initiative to help Indiana students reach higher levels of education. When assessing the percentage of residents over the age of 25 with a bachelor’s degree, Indiana ranks among the lowest states in the U.S. During the first 15 years of the program, 3,629 students received Lilly Endowment Community Scholarships statewide. Those scholars all attended Indiana colleges and universities.

Our 2019 winner, Chase Watson, received a full four year scholarship to Rose-Hulman University.

Scholarship Funds

Education has been a primary focus of the Foundation's efforts since its founding in 1993. In fact, the first endowment fund established was the Larry C. Banks Bronze Star Memorial Scholarship.

The Foundation manages several academic scholarship funds, many established expressly for Brown County High School graduates. However, others, like the Banks Scholarship, focus on vocational education and/or non-traditional students.

We are proud to report that the Community Foundation administered 24 scholarship funds to very impressive and deserving students in Brown County. We awarded over $39,000 in scholarships in addition to the Lilly Endowment Community Scholarship.

Additionally, through the Foundation's affiliation with Lilly Endowment Inc., thirty-six Brown County residents have received four-year full-tuition scholarships through the Endowment's Community Scholars Program. To view a full list of scholarship funds, please visit page 30.

We Appreciate You, Volunteers

Our nonprofit partners are invited to submit compelling stories about their most dedicated volunteers. The BCCF reviews these applications and picks a select number of winners each year. These volunteers are recognized during our Annual Report to the Community, where each winner will select a nonprofit to receive a $250 grant from the BCCF. The community is the true winner, benefiting from the time and talent of all of our generous community volunteers.
Judith Stewart Named 2019 John D. Rudd Award Winner

In 2003, BCCF established this Community Service Award in honor of John Rudd’s devotion and broad based service to his native county. This annual award honors someone who has demonstrated the commitment, accomplishment, and spirit of John D. Rudd. In acknowledgment of his remarkable record of service, Mr. Rudd was the first recipient of this award.

The Honorable Judith Stewart has diligently served Brown County for 30 years. Upon her recent retirement, several of her colleagues offered generous adjectives to describe her, including: thoughtful, genuine, compassionate, fair, sincere, graceful, impartial, ethical, conscientious, hard-working, patient, attentive, and courteous. All of these are considered hallmark characteristics of good citizenship and Judge Judith Stewart has been displaying them to us with the utmost integrity, setting the example for what an engaged public servant and community member looks like.

First elected as a Brown County judge in 1990, a few years later she accepted the position of US Attorney for the Southern District of Indiana, appointed by former President Clinton. Judith was back in Brown County by 2000 and remained on the bench until her recent retirement. It was over the duration of the last 20 years when her community service shined, beyond the expectations of her office. She was involved with several community needs assessments to set the direction for the future of the county. As a known nature lover she is a dedicated Friend of the Park where she works to keep Brown County beautiful. She has always been and remains a strong advocate of children and education, even previously serving as a BCCF scholarship committee member. Not mentioned here, countless unspoken acts of goodwill, contributions to local charitable causes, and innumerable hours spent working to improve the quality of life for everyone in Brown County.

Giving Tuesday Fundraiser

Since 2012, the annual Giving Tuesday tradition has raised over $1 billion online in the United States.

Celebrated after Black Friday and Cyber Monday, Giving Tuesday shifts our focus away from consumerism and back to celebrating generosity, inspiring millions of grassroots giving activities across the globe.

In 2019 our Giving Tuesday campaign raised $21,204, and it was matched by $63,612 from the Lilly Endowment to benefit our Unrestricted Endowment Fund.

Stuff a Stocking Fundraiser

December 7th was a fun and festive day in Nashville as Jolly Ol’ St. Nick laughed at the History Center, the dazzling Holiday Light Parade wove through town, and 300 happy children and their families participated in the Brown County Community Foundation’s 6th Annual Stuff a Stocking event. All proceeds from Stuff a Stocking benefit the BCCF endowment which helps fund community grants. Mark your calendars for the next event on December 5, 2020!
