2020 ANNUAL REPORT TO THE COMMUNITY

From the CEO

Oh, what a year it's been. If you're still grappling with the impact of the pandemic, calculating losses over the past year, and making sense of it all, you're not alone. Some have called 2020 a "lost year". Indeed, we have all lost something, or someone, while our sense of time was warped and the months lurched ahead. Yet throughout this detour from ordinary life, the folks at BCCF have worked harder than ever to meet the pressing needs of our community.

We are a founding member of the county's COAD (Community Organizations Active in a Disaster). A disaster response team that has now distributed over 160,000 pounds of food. We established a Rapid Response Fund which has provided over

\$188,000 to projects like a refrigerated truck for food distribution, personal protective equipment for first responders, mobile devices for telehealth services, and much more. We also applied for and administered a state COVID-19 Small Business Grant Program which provided \$250,000 to local businesses dealing with the economic impacts of the shut down. These impacts extended to the global economy as we witnessed paralyzed businesses, supply shocks, and increasing debt. Our endowment managed to weather the storm, ending the fiscal year up +7.77%.

While dedicating much time and energy toward COVID-19 response, BCCF has continued to support ongoing community programs. In 2020, we distributed over \$1.4 million in grants and scholarships while also obtaining funding from Regional Opportunities Initiative to support our preschool scholarship program and the creation of a new birth-to-five early learning and childcare center. We want to thank you for your continued support during a challenging year. Through teamwork, dedication, imagination, and hard work, our community has risen to the challenges presented by the COVID-19 pandemic. We remain committed to the belief that we are stronger together.

Update from 2021 Board Chair Phil McKown

Every year brings new rewards and new challenges. The pandemic of 2020 brought more challenges than anyone could have anticipated. Fortunately, at the Brown County Community Foundation, we were able to react accordingly and assist Our Brown County through the pandemic and tumultuous year. We were able to adapt quickly as we pivoted to virtual programming, closed our office, and created funding opportunities that could fill an immediate need in our community. We sought out partnerships and funding opportunities to ensure our organizations and small businesses could survive the shutdowns and adapted services.

The pandemic will continue to affect our community and we will continue to serve our community. This year brought many challenges, but it also brought rewards.

From collaborations to cost savings discovered in the pandemic, Our Brown County will rise out of this valley stronger than ever.

I am proud of the exciting things to come from Our community foundation. I hope you will join us as we work to maintain Our Brown County as a community of collaboration, determination, and giving.

2020 Annual Report Event

The annual report meeting is an opportunity to celebrate our success alongside the community and recognize all the important people who make our nonprofit community work. Things were a little different in 2020 to say the least. We hope you were able to join us safely for our live stream. Working with Rainwater Studios to celebrate the 2019 year, to honor volunteers, and to announce our newest grantees; we had an amazing event with local music performances, video testimonials, live announcements, and a great night of philanthropy in Brown County. We have to say a special thank you to the performers including Rev. Peyton's Big Damn Band, Rich Hardesty, and Barry and Heather Elkins. We also want to thank our hosts, Kenan Rainwater and Mandy Rogier.

We adapted to the 2020 year with a variety of approaches in a rapid and fiscally responsible manner. We took a thoughtful approach to our own resources to ensure we could be a beacon for our community during this time of concern. For example, we released a downloadable-only copy of our Annual Report to the Community to save on printing costs.

Postponed Events and Fundraisers

Repercussions of the pandemic have the potential to threaten the fiscal health and long-term sustainability of many organizations, including BCCF. While our public events and volunteer activities were cancelled, our team will continue to explore their safe return in 2021.

We understand the COVID-19 outbreak impacted nonprofits in many ways. As we continue to serve our Brown County community, we will build upon our past experiences to lift us through the coming year and our events and fundraisers will return better than ever.

Volunteer for Our Brown County

Brown County would not be as strong without the many dedicated volunteers that serve at a variety of nonprofits and organizations. Volunteering helps to keep our community vibrant and healthy. There is nothing more valuable than a person's time, and for that we are thankful to all of our volunteers! We strive to involve people of our community at every level of service from office assistance to serving on committees.

To get involved as a volunteer at the Foundation, please contact jenise@bccfin.org or call our office at 812.988.4882. You can help ensure Our Brown County is strong.

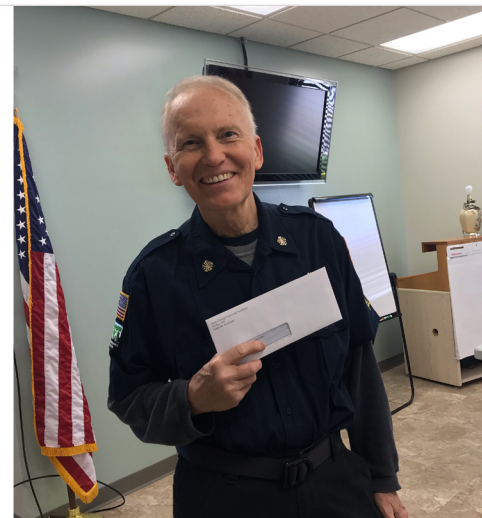

Rapid Response for Our Brown County

In our lifetime, there hasn't been a year that demanded us to respond and adapt to our community's needs more than during 2020. From the uncertainty produced by the coronavirus pandemic, OUR community foundation has risen to the occasion in partnership with our donors and community leaders. We stepped forward to help in exceptional ways, adapting to find solutions through strategic investments and adaptable funding.

Emergency funding was a priority as the pandemic shutdowns impacted front-line workers, businesses, and nonprofits. Those affected by the pandemic needed a variety of support such as personal protective equipment, housing and utility assistance, employee support, operational funding, and more. We created the Rapid Response Fund to inspire donors to support immediate relief grants which support our community.

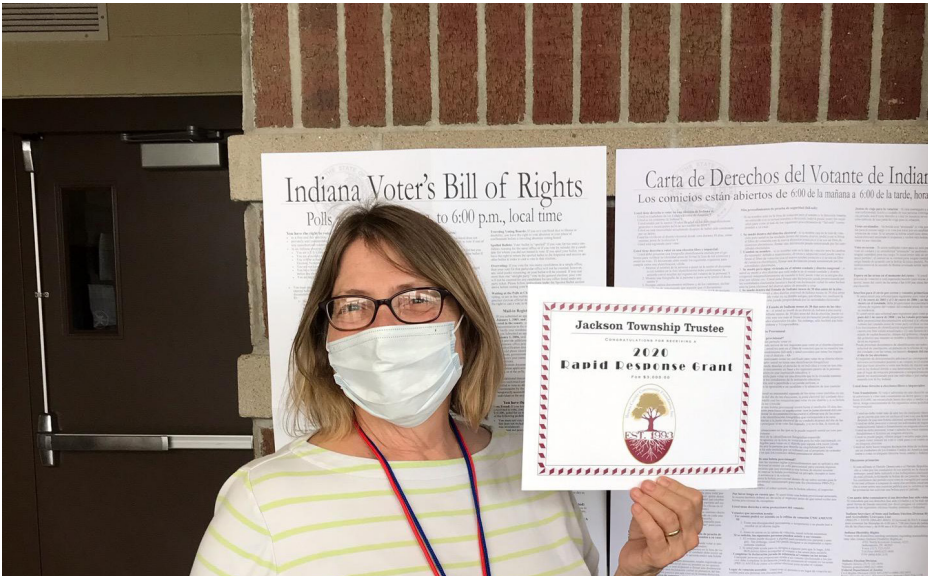

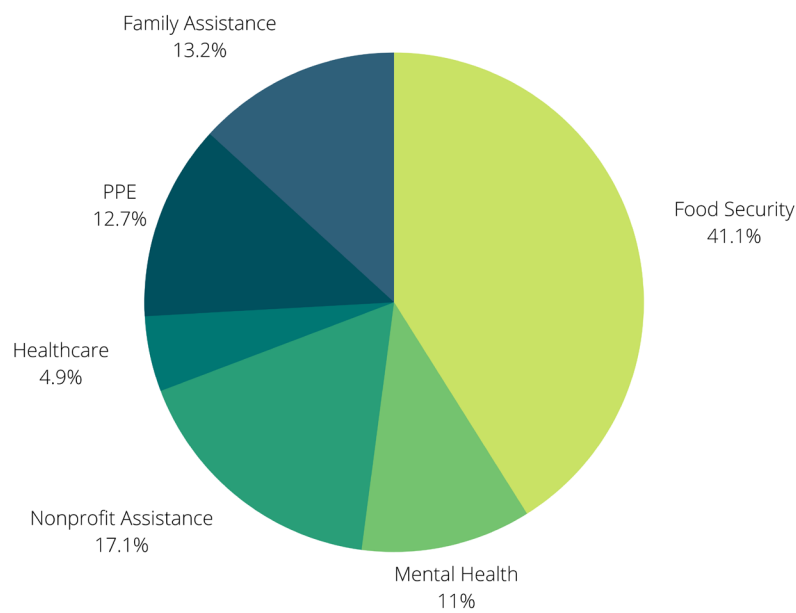

As we continue to monitor the longer term effects of the pandemic and community recovery, we will continue to collaborate and adapt for the benefit of our community. We not only face this challenge together, but we will also get through it together. Thank you to the countless individuals and organizations that make Our Brown County a strong, resilient community. Thank you to the donors like you that support Our work and Our Brown County.

COVID 19 Pandemic Response and Support

As 2020 progressed, BCCF monitored the rapidly evolving circumstances surrounding the novel coronavirus (COVID-19) and its potential impact for our community. Unprecedented times commanded BCCF into a leadership role to unite our community for the greater good. We worked with the Indiana Office of Community and Rural Affairs, the United Ways of Bartholomew and Monroe counties, The Lilly Endowment, and local government to understand the needs of our community, to adapt in response to those needs, and to develop strategic investments and innovative solutions. Anchored by OUR deep roots in this community and in OUR commitment to help create lasting change, we were ready and willing to help whenever and wherever our community needed it.

Rapid Relief Funding Categories

Planned Giving For OUR Brown County

Virtually any asset of value can be given to the Community Foundation. Regardless of the size of your estate, by contacting your attorney and creating or updating your will, you can provide for your beneficiaries while leaving a personal legacy to support a cause that has meaning to you.

Write Your Will

Use will planning as an opportunity to decide what type of legacy gift best suits your estate planning goals.

Life Insurance

By naming the Foundation as the irrevocable owner and beneficiary of a life insurance policy, a donor is entitled to an immediate tax deduction on the cash value of the policy, with future premiums paid by the donor being deductible as charitable gifts.

Charitable Bequest

You can bequest a certain dollar amount, a particular percentage, or certain property. This is the most popular form of charitable bequests. Indeed, gifts of specific properties to charity may be uniquely appropriate bequests, both for tax and personal reasons.

Trusts

Trusts have become an increasingly important tool in estate planning, especially in the field of charitable giving. Individuals form different types of trusts to:

- Avoid probate administration
- Secure income, gift and estate tax savings
- Decrease gross estate size
- Assure preservation of wealth and to protect assets from creditors
- Diminish asset management responsibilities
- Control disposition of assets to beneficiaries

Join the Newkirk Society ... Support OUR Future

In 2001, BCCF Board of Trustees established the Del Newkirk Society. With great affection and appreciation, it was named in honor of one of our founders and former volunteer Executive Director, Del Newkirk. The Del Newkirk Society has been established to recognize those who, like Del and his wife Letty, wish to remember the Brown County Community Foundation and ensure its mission continues in perpetuity. All members of the society have included the Brown County Community Foundation in their planned gifts.

In September, we celebrated the Del Newkirk Society with a night of live music, updates, and honors. American soprano Donata Cuccinota graced us with her songs at Hard Truth Hills.

Congratulations to Our Lilly Scholar!

Since 1998, Brown County Community Foundation has had the privilege of awarding Lilly Endowment Community Scholarships to 39 Brown County High School Graduates. This annual scholarship will pay full four-year tuition and \$900 a year for books and equipment to the Indiana public or private college of student's choice.

The scholarships are the result of a statewide Lilly Endowment initiative to help Indiana students reach higher levels of education. Indiana ranks among the lowest states in the percentage of residents over the age of 25 with a bachelor's degree.

To date the Lilly Endowment Community Scholarship Program has awarded 4,769 full-tuition scholars and over \$405M in scholarship tuition

Our 2020 winner, **Chloee Robison**, received a full four year scholarship to Purdue University.

Scholarship Funds

Education has been a primary focus of the Foundation's efforts since its founding in 1993. In fact, the first endowment fund established was the Larry C. Banks Bronze Star Memorial Scholarship.

The Foundation manages several academic scholarship funds, many established expressly for Brown County High School graduates. However, others, like the Banks Scholarship, focus on vocational education and/or non-traditional students.

We are proud to report that the Community Foundation administered 31 scholarship funds to very impressive and deserving students in Brown County. We awarded over \$42,000 in scholarships in addition to the Lilly Endowment Community Scholarship.

Through the Foundation's affiliation with The Lilly Endowment Inc., thirty-nine Brown County residents have received four-year full-tuition scholarships through the Endowment's Community Scholars Program. To view a full list of scholarship funds, please visit page 28.

OUR Brown County Thrives Because of Volunteers

Our nonprofit partners are invited to submit compelling stories about thier most dedicated volunteers. The BCCF Advancement Committee reviews these applications and selects a winner. This volunteer is recognized during our Annual Report to the Community. The winner selects a nonprofit to receive a \$500 grant from the BCCF. The community is the true winner, benefiting from the time and talent of all of our generous community volunteers.

2020 Volunteer of the Year - Pam Raider

The League of Women Voters of Brown County nominated our 2020 Volunteer of the Year, Pam Raider. She is a past President and past Secretary of the League, and an active volunteer in projects from Voter Registration to Voter Education and more. Last year, she undertook a special project of researching and writing a history of suffragettes in Indiana, in honor of the 100th birthday of the League of Women Voters and the ratification of the 19th Amendment, giving women the right to vote. She presented this history on the Brown County Radio Hour, to the Brown County Genealogy group, and at the Centennial Tea hosted by LWVBC. She is often found researching and writing articles on issues important to voters and works to protect voters rights.

She is passionate about advocating for peace, for education, for human rights. And she puts her beliefs in action, making sure local Brown County elderly friends get the support they need. She has been an active volunteer throughout Brown County for years. She has served on the Board of the BC Community Foundation. She is a key player in Brown County Radio Hour, working hard to make sure Brown Countians have access to wonderful Brown County news, music and stories.

Graham “Teed” Howard Named 2020 John D. Rudd Award Winner

In 2003, BCCF established this Community Service Award in honor of John Rudd’s devotion and broad based service to his native county. This annual award honors someone who has demonstrated the commitment, accomplishment, and spirit of John D. Rudd. In acknowledgment of his remarkable record of service, Mr. Rudd was the first recipient of this award.

Graham “Teed” Howard is a true American hero and civic-minded leader that has demonstrated a lifelong commitment to bettering the lives of others with a focus

on youth development. He and his wife Mary have chosen to live in Brown County since 1989 and we are fortunate to have them as members of our community where Teed has continued his life-long commitment to service before self.

Teed is a U.S. Army veteran of both World War II and Korea. He fought in Europe during the last part of the Battle of the Bulge and helped liberate Buchenwald Concentration Camp , leaving an everlasting impact on him that fueled his lifelong mission to love, nurture, and take care of others. Today, at age 95, he is still interested in people and understanding what they do, how they do it, and why they do it. This passion has guided him in his service to Brown County. Yet, as Brown Countians, we are the beneficiaries of his love for humanity and a lifelong call to “service above self” that extends far beyond the geographical boundaries of our county.

Giving Tuesday Fundraiser

Since 2012, the annual Giving Tuesday tradition has raised over \$1 billion online in the United States.

Celebrated after Black Friday and Cyber Monday, Giving Tuesday shifts our focus away from consumerism and back to celebrating generosity, inspiring millions of grassroots giving activities across the globe.

In 2020, our Giving Tuesday campaign raised \$49,301.90 to benefit a variety of endowments and funds.

Raising Funds for Our Brown County

Despite the challenges with the pandemic, we were able to find ways to raise funds for a variety of causes in 2020. Partnering with Rotary Club of Brown County and the township volunteer fire departments, we launched the Fill the Boot Fundraiser. With the loss of many department fundraisers, this was just another way we helped Our Brown County VFDs remain strong during 2020.

We also helped to spread a message of unity with our Stronger Together Road Signs. Displayed across Our Brown County, the subtext of support local, thrive local was a great way encourage local impact for our residents, businesses, and guests during the challenging year.

Signs are still available for purchase in our office or by texting the code STRONGERBC to 44-321.
