May I receive awards from more than one scholarship?

However, should you be awarded the Lilly Endowment Community Scholarship, no other tuition-specific scholarships offered by the Brown County Community Foundation will be awarded.

What is the Brown County Community Foundation's scholarship program?

The scholarship program manages scholarship funds that are established by individuals, companies, or organizations, to primarily assist Brown County area residents in obtaining a college education. Students apply to the program and, if eligible, may be awarded a scholarship from one or more of these different funds.

Do I need to complete a new application to be eligible for other BCCF Scholarships?

Students that apply for the Lilly Endowment Community Scholarship Program will need to update their application with any information that has changed. The BCCF will keep all applications and only update materials when applicants submit new information. The BCCF will obtain new transcripts for students.
